who is bill davis?

Bill, son of a Florida police detective, had a rebellious attitude which led to his premature discharge from the Air Force.

His continued antisocial behavior led to a life of crime, drugs, and repeated imprisonment. Bill, at one point in his

downward spiral, found himself in the California state prison system, with murderer Charles Manson as his cellmate!

With his body suffering from the ill effects of alcohol, drugs, and a rebellious lifestyle, he was dramatically changed by

Jesus Christ in 1972. After his dramatic transformation, Bill engaged in street ministry where he saw many lives radically

changed. He began working with young people, and shared his story in high school and universities throughout the

world. His message of hope and the ability to make a fresh start through God's grace has affected many. (www.billdavismin.com)

Who is steve sjogren?

Steve Sjogren launched the Vineyard Community Church in Cincinnati, Ohio in 1985 with 37 people.

Under his

leadership, the dynamic congregation grew to more than 6000 in average attendance. The message of servant

evangelism is creating a wave of excitement across North America as churches are grasping its simple but powerful

evangelistic effects. Emphasis is placed on showing the love of God in helpful ways, which in turn, opens avenues to

people's hearts. Steve Sjogren addresses both the practical and spiritual benefits to this type of outreach and how it can

become "doable" in any church. Steve's talks are enriching, humorous, and filled with creative ways to "love thy

neighbor." (www.stevesjogren.com)
